PASSIONATE ABOUT PACKAGING

Established in 2016, Centre Packaging is a packaging and dispensing solution supplier based in South Africa. Our company was built on a Foundation of passion for packaging—and it's this passion that has kept us going strong. No matter the kind of packaging our customers need, we strive to help source and develop the perfect packaging solutions.

Centre Packaging is a on- stop source for all your packaging needs. From Trigger Sprayers, mist sprayers, lotion pumps and plastic caps to other related dispensing and packaging products.

With over 15 years of experience in local and international packaging, we source and supply high-quality products from manufactures around the world to supply business throughout the continent of Africa. When it comes to packaging, we make life a little easier, without a doubt.

Besides the passion we have for packaging—quality products and awesome service have been key to the success of Centre Packaging, and remains so today.

Our customers include but are not limited to, Pharmaceutical brand owners, manufacturers or packers, Restaurant brands, Cafe's, Food Manufacturers or Packers, Cosmetic Manufacturers or Packers, Supermarket brand owners and more. So if you're a buyer, planner or marketing person for a small, medium or large enterprise, Centre Packaging has the perfect solution for you.

We understand that branding your products effectively, with high quality standards, is vital to your business success and growth. Contact Centre Packaging today and see how we can help you promote your brand with our packaging products.

OUR VISION & MISSION

Centre Packaging aims to be the go-to source and supply company for packaging.

It is a Full service packaging provider. By combining superior people, creative designs, robust processes, leading edge technologies and a relentless focus on continuous improvement, we will consistently exceed our customers expectations.

CUSTOM PACKAGING SOLUTIONS

Centre Packaging offers a robust and quality-controlled service that assists in creating the perfect packaging solution for your product.

TOOLING & CUSTOM MOULDING

We accept custom tooling and moulds for new product development.

COLOUR MATCHING & SAMPLING

We work with different partners for the supply of colourants for different materials and processes.

PE, PET, ESSENTIAL OIL & PERFUME BOTTLES

We hold a variety of different shapes, sizes and colours suitable for a range of industries.

METALLISATION & PAINTING

Give different parts of the product a metallic, frosted or matt finish.

WHO WE'VE WORKED WITH

HIGH QUALITY ALUMINIUM CONTAINERS & BOTTLES

All our aluminium containers and bottles are made and finished according to your specific request.
